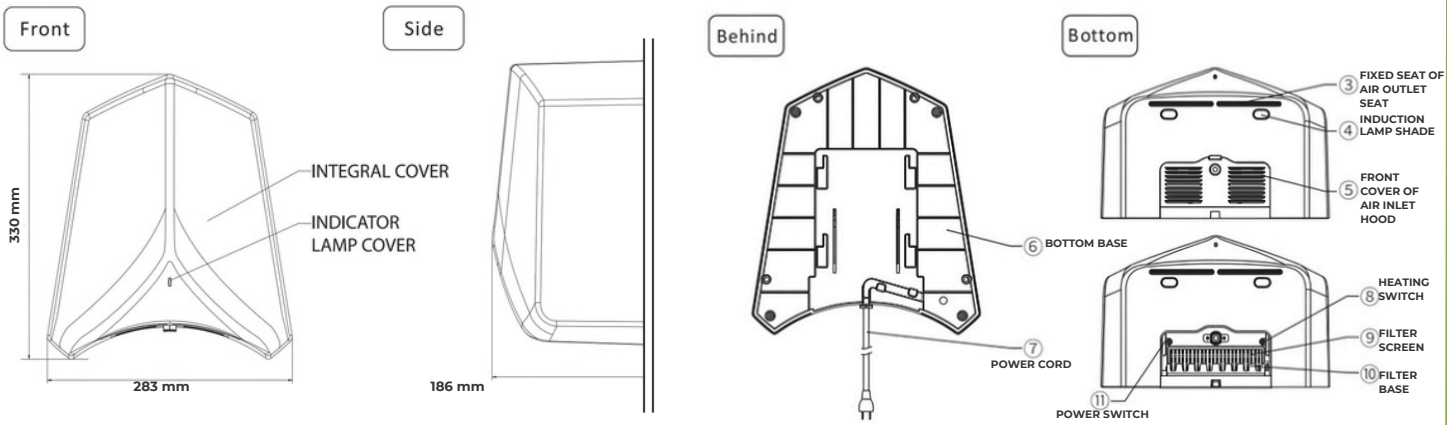
ADGE Hand Dryer - Black or Silver

DAHD0064

DAHD0065

DAHD0065-S



Product Overview

The ADGE model is highly energy-efficient, offering both hot and cold air options that contribute significantly to energy conservation. It's an ideal choice for settings with strict hygiene and low noise requirements. Featuring on/off heating options, the dryer also includes an automatic shut-off function after a time-out period. The unit can be hard-wired by an electrician or used with the cord and plug provided.
