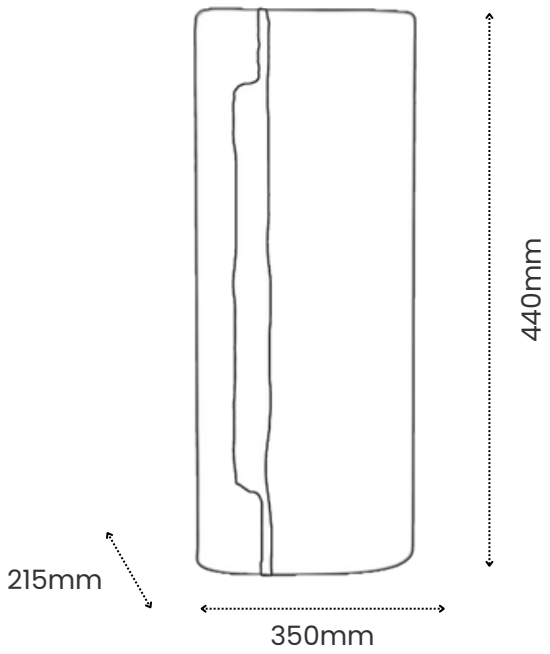
Air Purifier Dust Sensor 55W

DAPM0007



Product Overview

The Dust Sensor Room Air Purifier 55W is designed to efficiently remove dust, pollutants, and unpleasant odors from your environment. Featuring advanced filtration technology, it captures airborne particles, VOCs, and tobacco smoke, ensuring a healthier and fresher atmosphere. With its dust sensor and sleek design, it's perfect for any room where air quality matters most.

KEY FEATURES & SPECIFICATION:

- 4-Step Filtration
- Touch Screen Panel
- Dust Sensor
- Visible Air Quality Indicator
- Safety Features
- Product Name: Dust Sensor Room Air Purifier
- Product Code: DAPM0007
- Color: White
- Material: ABS & Metal
- Power: 55W
- Voltage: 220-240V
- Effective Area: 24m²
- Filtration: 4-Stage (Pre-Filter, HEPA Filter, Activated Carbon, Air Ionizer)
- CADR: 200m³/h
- Max Noise: 61 dB
- Weight: 4.0kg
- Size: 350 x 215 x 440mm
