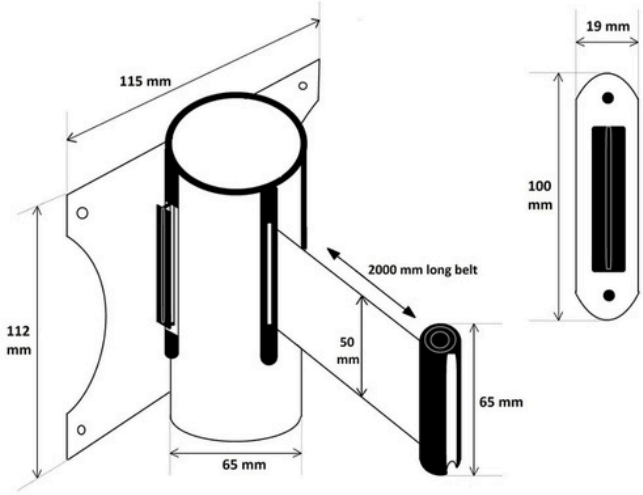
Wall Mounted Retractable Queue Barrier Belt

DQMG0005



Product Overview

The Dolphy Wall Mounted Retractable Queue Barrier Belt is a premium solution for crowd control, perfect for both indoor and outdoor use. Ideal for hotels, clubs, exhibition centers, and events, it offers reliable performance with a sleek stainless steel finish. With a 2-meter retractable belt, it ensures quick and easy setup for secure areas, and can withstand challenging weather conditions better than traditional bases.

KEY FEATURES & SPECIFICATION:

- 2-meter retractable belt for flexible use.
- Suitable for both indoor and outdoor settings like hotels, clubs, exhibition centers, and events.
- Instantly creates a secure, defined area.
- Easy installation with screws and plastic inserts for wall mounting.
- Stronger resistance to wind compared to traditional queue barriers.
- Product Name: Wall Mounted Retractable Queue Barrier Belt
- Product Code: DQMG0005
- Material: Stainless Steel
- Colour: Silver
- Mount: Wall Mount
- Belt Length: 2 meters
- Belt Colour: Red
